Welcome to London, 2020

ISKF UK welcomes you to the 4th ISKF World Shoto Cup Championships. We are delighted to host you in London, a fun, dynamic city, ideally placed for hosting an international competition. London is proud of its diversity and inclusion, and the World Shoto Cup Championships will be the perfect opportunity to celebrate this diversity. We will be welcoming competitors from all over the world.

The championship will take place at the University of East London, Sportsdocks. Within the University's dockland's campus, the Sportsdock offers a state of the art space for training and competition.

The Sportsdock is a short distance from London City Airport, and is well connected with all other major travelling hubs. It is easily accessible from London city centre, where you can visit all of London's landmarks, museums and theatres and enjoy food from all around the world.

The centre is on the DLR (Docklands Light Railway) line, stop Gallions Reach DLR station. For how to travel in London visit: <https://www.visitlondon.com/traveller-information?ref=nav>

The Sportsdock is also a close distance from two other great areas in London. Stratford, the area in London that hosted the London 2012 Olympic and Paralympic games, with amenities and a great shopping area. And Canary Wharf, home of the modern city and the financial centre of the city.

For information on how to plan your trip to London, please visit: <https://visitlondon.com/>

We look forward to welcome you all in London for the 4th ISKF Shoto Cup Championship.

Good luck to all.
